With regards to the theme for 2020, I will come back to you in my Newsletter later this autumn.

### **Philatelic Forum 2018**

Our next Philatelic Forum will take place in Krakow Poland on **16–17 May 2018**. Please mark your calendars!

The theme for the Forum will be the “Stamp Industry”. We want the representatives from the whole industry to show and promote their products, including artists, designers, printers, album manufactures, Stamp magazines and so on.

To be able to get in contact with these possible partners and send an invitation to them, we will need your help regarding their contact details. Please fill in the enclosed formula and return it to Mr Antonio Amaral in PostEurop **by 15 September 2017**.
